

How to Look After a Dinosaur Egg

11 If you have found a dinosaur egg, you need to act
19 quickly and carefully. If you don't, you might
28 end up with an angry baby dinosaur on your
29 hands.

39 First, you need to find out which kind of
46 dinosaur you will be raising. Different dinosaurs
55 eat different things so make sure that you buy
63 the correct kind of food for your new friend.

72 Next, put the egg somewhere warm. Wrap it in
81 blankets and keep it under a warm lightbulb
91 at all times so that the baby does not get cold.

101 Keep your eyes open... your new friend is on
102 its way.

Quick Questions
