

Year 2 Homework—

Below are a variety of maths questions which your child should be able to do. They may need support to read some of the questions. They also need to label the time on the clock in the middle please.

1

Complete the table.

Pounds	Pence	Total
£5	66p	£_____ and _____p
£3	24p	£_____ and _____p
£10		£10 and 45p
£46		£46 and 22p

Continue the pattern below.

2

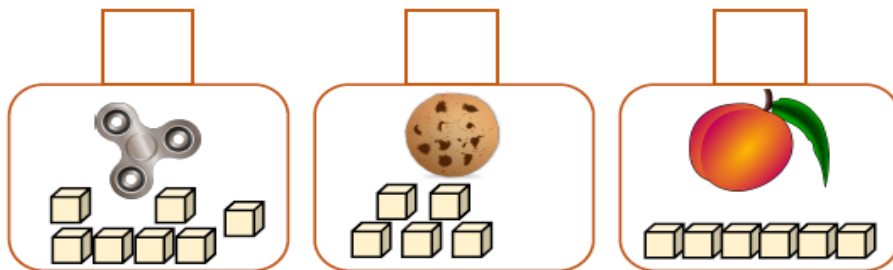

--	--	--	--	--	--	--	--

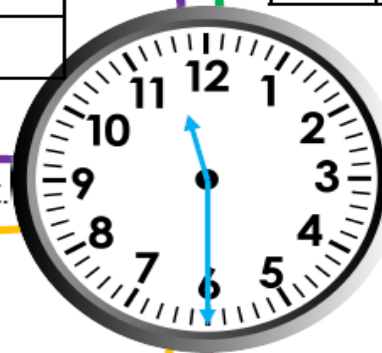

3

Order objects from heaviest to lightest.

The pictures show how many cubes equal the mass of the objects.

1 being the heaviest.

4

$$\boxed{\phantom{000}} = 7 \times 2$$

$$\boxed{\phantom{000}} \times 2 = 31 + 27$$
