

PAULTON INFANT SCHOOL
After School Clubs Terms 1 & 2 September – December 2024

Club providers are external professionals in their field, coming to share their expertise and love in the particular club. We therefore expect all children to demonstrate exemplary behaviour following our 3 school rules as we expect every day in school. Whilst teachers remain on site, they are involved with meetings and planning and not present at the extra-curricular afterschool clubs. If your child has disruptive behaviour during clubs they will be given a warning during the club and parents will be informed after the session, if this behaviour continues in the following session they will lose their place for the rest of the term without a refund. As a parent, you know your child best, if you have concerns about how your child will cope please speak to your child's class teacher. We are sorry but no refunds are issued due to illness/absence from school.

You can book your child(ren) on to one or more of the below clubs by navigating to the 'Clubs' section of the 'My Child at School' app. Bookings will go live on Wednesday 4th September at 6pm and places will be filled on a first come, first served basis.

Clubs will run weeks commencing 9th, 16th, 23rd, 30th September, 7th, 21st October, 4th, 11th, 18th November and 2nd December 2024.

Club	Day	Time	Year group	Number of spaces	Number of sessions	Cost	Notes
Gymnastics	Tuesdays	3-4pm	1 and 2	Max 16	10	£45	No club 15/10/24 or 26/11/24

Yoga	Thursdays	3-4pm	1 and 2	Max 20	10	£45	No club on 17/10/24 or 28/11/24

Please note - if clubs do not reach the required minimum number of pupils the club may be cancelled.

Please collect pupils promptly from the hall door on the side of the school. Thank you

Gymnastics Club; This Club is led by professional gymnastics coach Petra Burgess. Please ensure a suitable PE kit or leotard is in school and long hair is tied up.

Music Club; Music club is led by Jenny James. Music has many benefits to our children's development including encouraging creativity, improved confidence, increased coordination, mindfulness and relaxation. Club will follow an educational theme and the children will be introduced to musical objectives such as rhythm, pitch and tempo. We will sing, play a variety of percussion instruments (and learn about them), listen to different styles of music, move to the beat/dance and play musical games! As the children progress we will move on to explore musical concepts further such as *lento*, *presto*, *piano*, *forte*, all whilst having lots of fun.

PAULTON INFANT SCHOOL
After School Clubs Terms 1 & 2 September – December 2024

Multi-skills: This club is run by Inspired Schools. PE kit is essential with daps or trainers. Sessions will be OUTSIDE where possible!

Kids Yoga: Rainbow Kids Yoga is interactive, social, fun and creative. It's all about connecting with one another through group work, stories, games and dance as well as time on ones own mat. Children are given the space to experiment freely with a range of movements safely and every session ends with a mindfulness relax time. Yoga is a fun way for children to develop a variety of important skills in a nurturing, non-competitive environment. During a session there is complete absence of judgement and competition- doing a pose 'perfectly' or better than another is not the aim of Yoga. This unconditional positive regard and encouragement creates a nourishing environment allowing the children to relax and have fun whilst developing strength, coordination, flexibility and balance, as well as body awareness, concentration and self-esteem. Run by professional exercise movement and dance teacher Chloe Saxton. PE kit is essential.
